Dear Provider:

Enclosed are your Annual Water Withdrawal and Use Report forms for calendar year 2011. The summary page is printed on the reverse side of this letter. This report is for service area right holders who have withdrawn water from wells other than stored water, who may have received water from others or may have delivered water to other right holders. The Department has preprinted certain information from our records onto these forms. Pay particular attention to the schedules and worksheets. If any of the preprinted information is incorrect, please make the necessary changes. Note that a separate annual report form must be filed for each right you own. [Separate checks should be enclosed to cover the fees associated with each right and the right number should be written on the check.](#)

The Groundwater Code requires that each person who owns a right to withdraw groundwater in an Active Management Area or who withdraws water from a well in the Santa Cruz Active Management Area must file an annual report, even if no groundwater was used. [Persons who did not withdraw or use water during 2011 are required to return the form\(s\) with zeros in the appropriate blanks and sign and date the summary page.](#)

[Reports must be received by the Department or postmarked no later than March 31, 2012.](#) The penalty for filing late is \$25.00 per month or part of a month that the report is late up to \$150.00. In addition, if you withdrew water, other than stored water, and did not pay the withdrawal fee on time, the penalty is 10% of the unpaid fee per month or part of a month that the fees are delinquent, up to a maximum of 60% of the unpaid balance. In addition, after six months, the Department may take further enforcement action for failure to file an annual report, including seeking civil penalties in an amount not less than \$250.00.

If your water right has been sold, then both the buyer and seller must notify the Department of the conveyance. [The owner of the right as of December 31, 2011 is responsible for filing an annual report covering the entire calendar year.](#) Please contact Groundwater Permitting and Wells Section for conveyance forms and instructions.

We have tried to provide you with the proper forms according to information in our files. Failure to receive the proper forms does not relieve a person of the responsibility of keeping the required records or filing the required reports. You should keep a copy of this report for your records.

If you need help or have questions, contact the Annual Reports & Planning Section.

Sincerely,

Thomas Buschatzke
Assistant Director
Water Planning Division
